

Raising Awareness at Artism Day Event

On May 21st, SpeakingOut participated in a very important event in Sweetwater, TN (Monroe County)...

Artism Day Spring Festival

Art Event for Children with Autism and other Disabilities

SpeakingOut set up an information table for the Parents & Grandparents, a kids' activity table & bean bag toss for the Children. This was a wonderful opportunity to raise awareness on the crime of Child Sexual Abuse.

Unfortunately, even children with Autism & other Disabilities are being violated every single day.
