

Radio Program on Community Issues

In December 2010, Susan Suafoa-Dinino (President/Founder of SpeakingOut) had the opportunity to be a Guest on a Radio Program on Community Issues. See Next Page for Additional Information presented on the 6/1/11 Program (It's Bad Enough Children Are Violated...)

"This program was one of the best programs that we ever had on Re-Entry Radio. This was an extremely serious and important subject in these times and Susan Suafoa-Dinino and her terrific guests covered every possible area, from being informative on the counseling aspects of child abuse to showing the victim's viewpoint. Ms. Suafoa-Dinino is obviously a compassionate expert on CHILD ABUSE and should be recognized accordingly. I look forward to having her as a special guest on the program again as she has much to offer everyone, regardless of their motivation, on speaking out against child sexual abuse." Michael Wynne, Host, Louisiana's Re-Entry Radio

Calling Child Sexual Abuse what it really is... Horrific Violations committed against innocent children of all ages... **Rape, Molestation, Incest & Exploitation**

It's Bad Enough Children are Violated...

But Did You Know?

- A large % of Children who are being violated will remain silent about their abuse.
- For the Children who do disclose, many are not being believed by their loves ones & others.
- Only a small % of Child Sexual Abuse cases are ever reported.
- And the majority of reported cases will never see a courtroom.
- Far too many cases of Child Sexual Abuse wind up in Family Court; rather than Criminal Court. Child Sexual Abuse (Rape, Molestation, Incest & Exploitation) is NOT a family matter... It is a Crime!
- In far too many cases, the Reporting (Non-Offending) Parent is persecuted and in some cases prosecuted for speaking up and trying to protect their child.
- More often than anyone would like to believe, Children are being taken from the Reporting (Non-Offending) Parent and custody is being given to the Abusive Parent.
- Many, Many times, the Abuser is protected and the child continues to suffer. This leaves the Child in the position where they may be violated repeatedly; sometimes over the course of many years.
- It is estimated that 95% of Children who are sexually abused know the person abusing them, and in far too many cases, loves and trusts that person.
- The majority of those who violate innocent children tend to average multiple Child Victims.
- Justice May Never Come for the Child who has been sexually abused.
- First and Foremost, the most innocent of all Victims... Children... are Suffering!

JUST A FEW OF THE REASONS THAT PREVENTION IS SO IMPORTANT!
Every One Child Matters... What if that One Child were YOUR Child?

Jackson, MS Workshop to be Rescheduled

MISSISSIPPI SCHOOL OF
THERAPEUTIC MASSAGE

The "A Safe Place" Workshop that was scheduled to be held on May 28th in Jackson, Mississippi did not take place. Although the workshop would have fallen during Memorial Weekend, we picked that date since I was already going to be down in Louisiana... only 2 1/2 - 3 hours from Jackson, MS.

However, as time got closer, we decided to postpone and reschedule for a future date. As soon as the Workshop is rescheduled, we will post that information.

On behalf of all of us at SpeakingOut, a Sincere Thank You goes to...

1. Mississippi School of Therapeutic Massage who offered the facility for the workshop.
2. Cookin' Up A Storm agreed to provide the refreshments.
3. In addition, The Therapy Center PLLC was set up to be a "Table Sponsor" of the event.
4. And last but not least, if it had not been for Jamie Roth working so hard to coordinate everything in Mississippi, nothing would have been scheduled at all. Jamie, we appreciate you & look forward to meeting you; hopefully in the near future!
