

Your Used or Unwanted Cell Phones, PDA's and/or Ink Cartridges

Thank You for thinking of SpeakingOut for recycling your old equipment. We are very excited about this recycling/fundraising program as it allows both you and I to assist in helping save the environment, as well as potentially raising some funds for our cause. Every dollar counts and helps us continue moving forward with our Mission and Vision for SpeakingOut. On behalf of all of us at SpeakingOut against Child Sexual Abuse, we appreciate you!

Shipping Instructions...

1. Place your equipment (Cell Phones, PDA's and/or Ink Cartridges) in a box. Please put any/all ink cartridges in a zip lock bag(s) to avoid leakage.
2. Place the enclosed Fed Ex Shipping Label on the sealed box.
3. Drop the box off at any Fed Ex location or Fed Ex Drop Box.

It's That Simple!

Additional Information...

- Please do not include phone chargers in your package, as our Fundraising Partner does not accept chargers.
- General Rule regarding Ink Cartridges...Only ship cartridges that are no larger than the palm of your hand.
- For Tracking Purposes on our end, please let us know via phone or email once you've shipped the package. It would also be helpful if you would include how many Cell Phones, PDA's and/or Ink Cartridges you've shipped.
