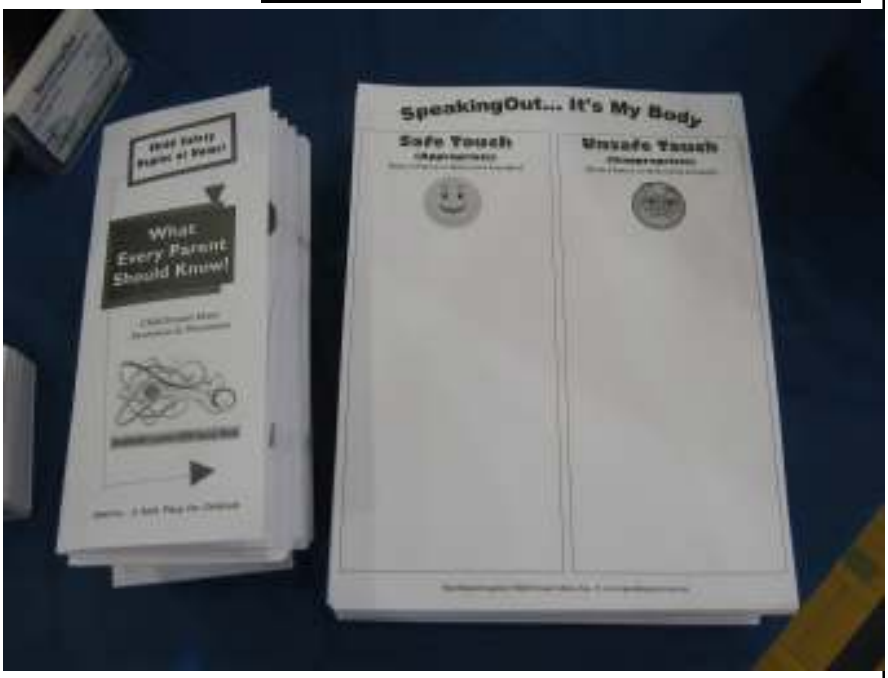
Back-to-School Health Fair (Knoxville, TN)

In August of last year, SpeakingOut participated in the 1st Back-to-School Healthy Kids Rock event in which we were able to raise awareness on the crime of Child Sexual Abuse for over 800 families by simply handing out information & talking to people.

On August 11th, SpeakingOut participated in the 2nd Back-to-School Healthy Kids Rock Health Fair. This year, attendance greatly increased to approximately 1200 families attending the Health Fair. We handed out Children's Activity Sheets to the kids, and brochures to Parents/Grandparents/Caregivers. The goal was to encourage Parents to sit down & talk to their children about Child Sexual Abuse… ultimately opening up the communication line on this very sensitive topic. And the purpose of that is to do all we can to help prevent such violations from happening to the children we care about.



We would like to thank Sherra Robinson, RDA-Outreach Director of Western Heights Dental for inviting SpeakingOut to participate again this year. We appreciate you & what a Health Fair like Healthy Kids Rock does for children & families in the community. Thank You!
